ITINERARY 17

Torre del Lago and Pisa

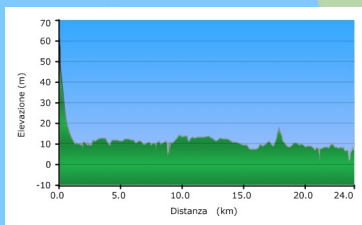

Length: 48,3 km
Altitude peak: on sea level
Total rise: -
Degree of difficulty: ●●○○○
Ideal period: all year
Excursion time: about 2 hours

Starting from Viareggio seafront near Galliano Café, go towards the pier, that you'll reach after 1,2 km. Here follow the obligatory direction of the road and at the traffic lights follow the road sign to Marina di Levante. Then go straight on towards the pine-woods and take Viale dei Tigli, a

4,8 km rectilinear tree-lined road that is dangerous at intervals because of the trees roots. Villa Borbone, halfway, is well worth a visit. At the end of the avenue, at the traffic lights, turn left and go straight on through Torre del Lago Puccini. After the railway subway at the traffic lights go straight on
